explains a six step method for making decisions and provides tips on setting goals
dreaming and planning for the future

this book teaches students how to make the difficult ethical decisions that journalists routinely face by taking a case based approach the authors argue that the best way to make an ethical decision is to look closely at a particular situation rather than looking first to an abstract set of ethical theories or principles this book goes beyond the traditional approaches of many other journalism textbooks by using cases as the starting point for building ethical practices casuistry the technical name of such a method develops provisional guidelines from the bottom up by reasoning analogically from an easy ethical case the paradigm to harder ethical cases thoroughly grounded in actual experience this method admits more nuanced judgments than most theoretical approaches

learn to make the best decisions for your school essential to inspiring and improving schools principals make complex decisions on a daily basis this invaluable resource offers extensive case studies which explore factors considered by expert principals to manage crises navigate tough choices and gain control of unsettling school environments you will learn how priorities and school culture inform these decisions and acquire powerful insights on decision making best practices you will find problem solving strategies and cases focusing on data analysis and competing stakeholders easy to use checklists robust reflection questions and a framework to define your professional core values tools to coach and evaluate teachers and bolster struggling students

hard times and choices make hard individuals learn to make solid tough calls by following the examples of the most pivotal global leaders when the going gets tough the tough don't get going instead they stick around and decide how to solve the problem take america as an example back in the day the country had to make some of the hardest decisions that shaped the world as we know it now hard decision 1 the us congress decided to stand up against the british monarchy and gained independence hard decision 2 president abraham lincoln decided to declare a civil war and abolished slavery hard decision 3 president harry s truman decided to detonate the atomic bombs and ended wwii had america not decided on these things the world would have looked very different you don't have to be a us politician to need to make hard decisions though in different stages of our lives we would eventually hit that forked path should we quit our job and risk being unemployed should we stay in our unfulfilling work and wallow in misery should we end this relationship should we move to a different city in 2021 economist and freakonomics podcast host steven d levitt published a study on the impact of a coin toss on major decisions people told by the coin toss to make a change are more likely to make the change and be happy with their decision on the other hand those who are told to stick

with the status quo not as much the finding suggests that we ll be probably better off choosing change but we are too overly cautious when we need to make a tough call and that s totally understandable life changing decisions change lives it s scary but with our book you ll get the chance to pick the brains of the greatest decision makers and learn from their experiences firsthand you ll get to make decisions with confidence and without regret by using tried and tested strategies anyone can gather the information knowledge data and wisdom needed to make hard decisions that leverage progress and success here s just a fraction of what you ll discover inside the book the 7 criteria that will help you separate hard decisions from easy ones enjoy maximum success by testing your decision s outcome process clarity more factors why the wrap framework is among the most efficient methods for making hard decisions and how to use it step by step the 1 simple technique that constantine the great used to make the crucial decision of legalizing christianity how applying suzy welch s 10 10 10 rule will help you calculate the minor and major risks of making hard decisions how different mental spotlights can cloud your judgment there s a genius way to boost objectivity faster too 5 powerful tactics that will help you take responsibility for your decisions heal from regret and release the burden of guilt and that s just the tip of the iceberg various mental spotlights can cloud your judgment from emotions and biases to rigid expectations by using the simple tips and examples in this book you will break free from the mental spotlight grasp and become a master decision maker instead the book offers exclusive access to the tools and methodologies that ensure rational decision making that helps you prevent serious errors or consequences in the long run buckle up you re about to make some hard decisions that will be worth your while scroll up and click add to cart

as effective organizational decision making is a major factor in a company s success a comprehensive account of current available research on the core concepts of the decision support agenda is in high demand by academicians and professionals through 110 authoritative contributions by over 160 of the world s leading experts the encyclopedia of decision making and decision support technologies presents a critical mass of research on the most up to date research on human and computer support of managerial decision making including discussion on support of operational tactical and strategic decisions human vs computer system support structure individual and group decision making and multi criteria decision making
